# Manitowoc County Drug Disposal Event

## April 29, 2017

### EARTH DAY & HEALTHY KIDS DAY

**10am—2pm**  
**At the YMCA**  
**205 Maritime Dr.**  
**Manitowoc**

Bring in your unused medications! Help keep our communities safe and waterways clean by participating in this free program. Note that our guidelines have changed!

#### YES

#### NO

#### Guidelines:

- Accepted drugs include prescriptions, over the counter, supplements, pet medications, and controlled substances.
- Place pills in a "ziplock" style bag that is quart size or less. Liquids, cremes, and powders can stay in the original container with caps tightened.
- Pill bottles and boxes are NOT accepted. Cross out your personal information and dispose of them or recycle them at home.
- Needles, sharps, mercury devices, chemical waste, electronic glucose monitors, non-medical inhalers, and personal care products like shampoo and cosmetics will NOT be accepted.
- Do NOT bring medications to drug disposal events before or after the listed times.
- Households only. Businesses should call 683-4333 for disposal information.
- Practice safe storage by keeping medications in a secured location.
- Practice reduction by consulting with your physician about your medication needs.
- Never share your prescriptions with another person.
- For questions or more information call 683-4333 or visit [www.manitowocrecycles.org](http://www.manitowocrecycles.org)

*Sponsored by the Manitowoc  
County Drug Disposal  
Collaborative*

If you can't attend this collection event, then take your unwanted medications to one of the drug drop boxes. They are located at the Manitowoc County Sheriff's Office, City of Manitowoc Police Dept., and City of Two Rivers Police Dept. Make sure to follow these guidelines when using the drop boxes!

Picture provided by Parents. The anti-drug.

Prescription drug abuse is a problem among teens today. And a major source of the problem is right under your nose: the medicine cabinet. This may be happening in your house, which means you can definitely do something to stop it. Safeguard your medications and keep track of the quantity. Educate yourself. You can stop the dealer.
